OBJECTIVE

Reliable and hardworking student looking for a part-time job in Toronto to help cover living expenses. Offers good communication skills, the ability to work well with others, and can handle multiple tasks efficiently under pressure.

EDUCATION

Advanced Diploma in User Experience Design

Humber College, Toronto, ON | Expected Graduation: April 2026

Relevant coursework: Service Design, Research Methods, Visual Communication

Strong foundation in working with people, understanding user needs, and organizing tasks.

KEY SKILLS

- Customer Service & Interpersonal Communication
- Team Collaboration & Time Management
- Attention to Detail & Problem Solving
- Cash Handling, POS Systems (basic)
- Microsoft Office (Word, Excel), Google Suite
- Adaptable, Quick Learner, Punctual

EXPERIENCE

Campus Learning Commons Assistant (Class Project – Service Design)

Humber College | Toronto, ON | May 2025 – June 2025

Observed and analyzed the printing support desk to understand service workflow. Noted responsibilities such as inventory checks, troubleshooting, and student support.

Ethnographic Field Researcher – Café Culture Study

Humber College | Toronto, ON | April 2025 – June 2025

Conducted observations in 8+ cafés. Interacted with diverse environments and noted customer behavior. Strengthened reporting and organization skills.

ADDITIONAL HIGHLIGHTS

- Comfortable with customer-facing, retail, food service, or general assistant roles
- Can lift light items, follow instructions, and work solo or in a team
